

Bike Maintenance Subsidy Program

This program is designed to promote and support bicycle commuting. The SNTMA has limited funding to subsidize maintenance for commuter bicycles. There are six \$50 bike maintenance subsidies available each month.

1. Any SNTMA member employee may apply to receive a bike maintenance subsidy under this program providing their employer is an SNTMA member in good standing.
2. Qualified applicants will be selected based upon a review of the application. (Please note - due to the limited number of funds, should the number of applicants exceed the available funds, a drawing will be held to select the subsidy recipients. The drawing will include only those applications deemed eligible by program guidelines and the SNTMA.)
3. As a condition of funding, recipients will track their bike commute trips in the Sacramento region Commuter Club for one calendar month following receipt of the maintenance subsidy. Failure to enter bike commute trips in the Commuter Club will make subsidy recipients ineligible for future SNTMA programs. Each SNTMA member is eligible for one bike maintenance subsidy per calendar year.
4. Applicants must cycle to work at least one day per week.
5. This subsidy cannot be combined with any other incentives.
6. Only one bike maintenance subsidy per SNTMA member per calendar year.

How to apply for the Bike Maintenance Subsidy

1. Submit a complete application (below) for the bike maintenance subsidy to Stephanie@sntma.org or fax to 916.646.0463.
2. Describe the maintenance that your commuter bike requires.

Bike Maintenance Subsidy Application

Applicants Name: _____

Applicants Employer: _____

Work phone: _____ Work email: _____

Are you registered in the Sacramento region Commuter Club? Yes No

How many days per week do you cycle to work? _____
