

# Regional Transit Subsidies

SNTMA member employees will be eligible to apply for a Regional Transit \$50 Subsidy to offset the costs of purchasing a monthly pass on Sacramento Regional Transit provided they meet the following requirements:

- Not to be combined with any other transit subsidy offered by your employer (i.e. if your employer offers a transit subsidy you are not eligible for this subsidy);
- Must have purchased a monthly RT pass the month prior;
- Must have logged in the Commuter Club Diary as using RT 2 or more days per week, each week of the month;
- Up to 15 transit pass subsidies are awarded each month on a first come, first serve basis. Member employees can apply for the \$50 subsidy each and every month of the year.

## **How to request the transit subsidy:**

- After you have purchased your monthly pass, submit a copy of your monthly Sacramento Regional transit pass to the SNTMA via email to [Stephanie@sntma.org](mailto:Stephanie@sntma.org) or fax at 916.646.0463 by the end of the first full week of that month.
- Complete your Commute Diary in the Sacramento Region Commuter Club 2 or more days per week, each week of the month by the last day of that month.
- If you are one of the first 15 people to complete the above requirements, you will receive your \$50 transit subsidy within 30 days.
